A detailed LEGO Technic model of a gas station pump. The structure is built using grey and black Technic beams and connectors. A red nozzle is attached to the top of the pump. A sign on the side of the pump features the number '95' and the word 'Premium'. The base of the pump is constructed from grey Technic beams.

This image shows a LEGO Technic assembly, likely a bridge or a support structure. It features a central horizontal beam made of black Technic beams, supported by two vertical pillars made of grey Technic beams. The pillars are connected by a red Technic beam. A red sign with the number 95 is attached to the right pillar. The assembly is built on a base of grey Technic beams. The background is a light blue and white pattern.
